MAY 18 1998

Public Comment

Date May 15, 1998

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

People are the most important assets to this country and we should not try to turn our land over to wildlife habitat to try to turn our land back to an area which does not afford all the luxuries we have gotten from this land (and we are doing a more efficient job of production all the time). Taking the Delta out of production is wrong and will totally wreck our economy for the land

Developers of Southern Cal:

Name: Harold Wilson

Organization: Wilson Farms

Address: P.O. Box 307

Clarksburg Ca 95612

Phone: _____ Fax: 744-1373
